

Newsletter Update: Mission Europe – Fall 2024

Dear Friends and Partners in the Gospel,

Warm greetings from the USA! I trust this message finds you and your loved ones thriving in God's grace. Ilke, Destiny, and I are grateful for your prayers and support as we've completed a transformative three-month ministry tour across Europe. As we embark on a mission tour here in the USA, I am excited to reflect on the incredible things God has done through this season of ministry and to share an encouraging word with you.

Good News for Everyone

Picture, for a moment, a normal day of your life. Everything is pretty typical—nothing out of the ordinary. Then, imagine that out of nowhere, light shines down all around you. It's so bright and warm, you can't see anything except ... an angel? An angel is talking to you!

That's exactly what happened to a group of shepherds near Bethlehem the night Jesus was born. And here's what the angel said: "Do not be afraid. I bring you good news that will cause great joy for all the people." (Luke 2:10) It's no surprise the angel opens with, "Don't be afraid." The shepherds whom the angel appeared to must have been terrified! How startling to be in the middle of a normal day taking care of your flock and have something so unexpected happen! And not only unexpected—something that absolutely changed the course of history.

The angel also knew what the shepherds did not: "I bring you good news that will cause great joy for all the people." The Messiah all of Israel had been waiting for, the one whom the prophets had foretold of, had been born. He had come. Nothing in

the world could have been better news or a cause for greater joy than this!

And of all the people who could have been first to know, it was these shepherds. In Israel at that time, shepherds were everyday people. They weren't powerful, influential, or wealthy. And yet God picked these everyday people to be the first to hear this good news. The Kingdom of God isn't just for those people society holds in high regard. It is for everyone. It is for all of us.

Today, pay attention to how God may be speaking to you. It doesn't matter who you are, where you've been, or where you're going. This good news is for you!

A Season of Signs, Wonders, and Revival Across Europe

Bristol, UK

At the Signs, Wonders, and Miracles Conference in Bristol, God's power was evident from the very first service. Over three days, attendance grew, and lives were touched by a profound outpouring of the Spirit. The testimony line stretched across the sanctuary as healings and deliverances became a tangible reality. One attendee shared, "This has been the most powerful conference our church has seen in 18 years!" We extend our heartfelt thanks to Pastors Sean and Michelle for creating space for the Spirit to move. Their passion and hospitality made this experience unforgettable.

Swindon, UK

Leadership training at City of Faith Church brought a fresh wave of inspiration. Focusing on servant-hearted leadership rooted in Matthew 20:26 and Mark 10:45, I challenged leaders to embrace humility and influence through service. The hunger for growth in the room was contagious, and we are eager to see how these leaders will impact their communities for God's Kingdom.

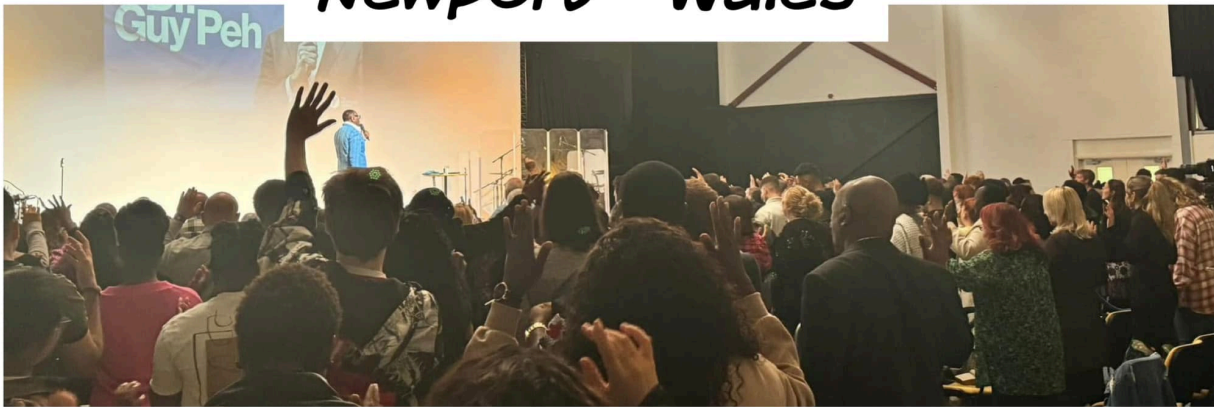

Newport, Wales

A weekend of transformation began with Ilke's dynamic message at the Fearless Launch. On Sunday, as I preached on acceleration, restoration, and divine speed, the room shifted into a holy encounter. The altar was filled with people responding to wave after wave of God's presence. Revival is stirring in Newport, and we are thankful to Pastors Robbie and Donna for their dedication to fostering a culture of revival.

Drachten, Netherlands: A Church in Revival

Our time at God's Foundation Church in Drachten was nothing short of extraordinary. This vibrant church is currently in the midst of a powerful revival, hosting 70 consecutive services over the

past nine weeks. We were deeply honored to be part of this historic move of God.

The ministry began with a session at their Bible school, where I had the privilege of equipping students in the interpretation of Scripture and laying the foundation for sound doctrine. The hunger for God's Word was palpable, and the depth of engagement was truly inspiring.

Throughout the weekend, the tangible presence of God saturated every service. The altars were consistently filled with people responding to His power and presence. Sunday night was the culmination of three life-changing days—a night marked by extraordinary miracles. Testimonies of healing and breakthrough spread quickly, leaving us in awe of God's faithfulness.

We left Drachten overwhelmed by the realization that God is moving powerfully across Europe. Every transformed life, ignited faith, and witnessed miracle is a testament to His glory.

Amersfoort, The Netherlands: A Divine Encounter

In Amersfoort, we experienced an awesome move of God during our time with the leadership team and congregation of Rafael Church. Saturday's session with the leaders was dynamic and impactful, as we focused on leadership training, coaching, and vision casting. The intentional relationship-building and meaningful Q&A left an indelible mark on all of us.

Sunday morning's service was nothing less than a divine encounter. Before I could even begin the first point of my message, the Spirit of God swept through the room. People spontaneously rushed to the altar, desperate for a touch from God. The gifts of the Spirit flowed freely as lives were transformed and hearts set ablaze by His presence.

We stand in awe of the breakthroughs, healings, and life-changing moments that unfolded during this time. To God be all the glory for His mighty works!

An unforgettable night unfolded as a man suffered a heart attack during the miracle service. As we prayed, he regained consciousness before paramedics arrived. Later, doctors found nothing wrong with him—he was completely healed! This miracle set the tone for the night, as God continued to pour out His power

in remarkable ways. The testimony line stretched across the building, each person sharing how God had touched their lives. It was a reminder of His miraculous power and unfailing love.
