To Whom It May Concern;

I am writing to give my recommendation for your consideration of Dr. Guy Peh.

My wife and I have known Dr. Guy for over 10 years as a dear friend and as a co-laborer in the kingdom of God. We have known him to always be a man of integrity, credibility and an example of true godly character.

Our congregation has been blessed over the years by his ministry in Word and Spirit in preaching the Word with signs following. We have seen many saved, healed, and delivered through his willingness to be yielded to the Holy Spirit.

Dr. Guy is a prolific writer and author of several Biblical works on many topics that bring clarity of truth and insight for application to those who read his published works. He is also an avid student of Revival and has compiled an amazing work on the history of Revival that will inspire and enlighten any reader to believe to see God do it again in our generation.

Dr. Guy also has a passion to mentor and raise up the next generation to be kingdom builders, walking in spiritual integrity and flowing in the demonstration and power of the Holy Spirit.

As a pastor for over 44 years, I can whole heartedly give my recommendation to you for partnering with and taking advantage of any opportunity you may have to receive from the ministry of my friend, Dr. Guy Peh.

Respectfully in Christ,

Don B. Pritchard, Pastor
