Dear Sir/Madam,

This is to confirm that we have known Dr Guy Peh for over 10 years. He has visited us as a guest speaker on many occasions and is of high caliber and spiritual knowledge.

He has written several books, which are a blessing to thousands. He is well known globally as an expositor of the Word, a teacher with incredible insights, and a communicator who inspires many.

As he seeks accreditation for his mentoring program, It's **Miracle Time**; I have no reservations in recommending him for your highest certification order. This will allow him to serve the world in a more tangible and highly reputable manner. Your certification to his ministry will enhance and give your accreditation continued power in helping folks like Dr. Guy Peh reach thousands via the teaching and training he has demonstrated that he is able to do in an effective and inspiring manner.

Our ministry has existed for close to 40 years and was started by my dad, who has been in the ministry for over 65 years. We are a growing church with a global reach. I have been preaching for over 45 years and can attest to the genuineness and credibility of Dr Guy Peh and his teachings.

If there are any questions, please do not hesitate to contact me via my number, 516-314-2744, or the number above or via email at [lbfcny@gmail.com](mailto:lbfcny@gmail.com)

May God bless you Richly,

In His service.

Pastor Joseph Persaud
