To whom it may concern,

I am honored to write this letter of recommendation in support of *Dr. Guy Peh* as he seeks accreditation for his *It's Miracle Time* mentoring program. As Lead Pastor of Jubilee Church, I have had the privilege of knowing Dr. Peh for many years, and I can confidently attest to his character, leadership, and unwavering dedication to ministry and education.

For over 30 years, Dr. Peh has demonstrated an exceptional commitment to ministry, mentoring, and equipping others for a life of faith and purpose. His passion for empowering individuals through biblical teaching is matched only by his dedication to academic excellence. He is a lifelong learner, always seeking to deepen his understanding of theology, leadership, and personal development. His ability to integrate sound biblical principles with practical application has made his ministry profoundly effective and transformational for those under his guidance.

One of his most outstanding contributions is the *It's Miracle Time* mentoring program, which has impacted countless lives. His meticulous approach to curriculum development, emphasis on spiritual and personal growth, and unwavering commitment to excellence make this program a powerful tool for equipping individuals for their calling. His attention to detail, scholarly approach to biblical teaching, and ability to communicate complex theological concepts in an accessible manner sets him apart as a leader in faith-based education.

Beyond his ministerial and academic achievements, Dr. Peh is a man of integrity, deeply devoted to his family. He is not only an exceptional mentor and leader but also a loving husband to his wife, Ilke. His ability to balance the demands of ministry while prioritizing his family speaks volumes about his character and the example he sets for those around him.

I strongly support Dr. Guy Peh's application for accreditation and have no doubt that his program will be a valuable asset to your institution. Please do not hesitate to contact me if you require any further information.

In His Service,

Bishop Joshua Jamison
