

+ MINISTRY TOUR REPORT & GLOBAL UPDATE

Mission USA & Canada - 3 Months, 37 Meetings, 16 Cities

Greetings from Thailand.

From miracles across America and Canada to a new global assignment in Europe, Asia, and Africa, here is our latest ministry report and a word of encouragement from The Mind World series.

A Word of Encouragement

Excerpt from The Mind World series, currently being thought at the 'It's Miracle Time' mentoring program.

Before battles are seen in public, they are often fought in private thought worlds. Long before behavior is expressed, it is believed. Long before destiny is manifested, it is imagined. Scripture says, *"For as he thinks in his heart, so is he"* (Proverbs 23:7, NKJV). In other words, your thoughts are not neutral; they are directional.

The mind is the first battlefield. The apostle Paul reminds us that our warfare involves *"bringing every thought into captivity to the obedience of Christ"* (2 Corinthians 10:5, NKJV). That means transformation is not sustained by emotion alone. It begins with renewed thinking. As Romans 12:2 declares, *"Do not be conformed to this world, but be transformed by the renewing of your mind."*

Many people are trying to change outcomes without confronting thought patterns. Yet cycles are often broken first in the mind. Wrong thinking produces wrong feeling, wrong believing, and wrong living. But the reverse is also gloriously true: right thinking produces right feeling, right believing, and right living. What you rehearse inwardly will eventually shape what you release outwardly.

Renewal is both spiritual and practical. Scripture teaches intentional meditation on truth: *"Whatever things are true... meditate on these things"* (Philippians 4:8, NKJV). When your mind is renewed by God's Word, your inner world begins to come under

divine order. Fear loses authority. Peace becomes posture. Clarity replaces confusion. Win the mind, and you win the life.

You can listen to previously taught and future lessons from The Mind World series in the replay library of the 'It's Miracle Time' mentoring program on an app called Clubhouse.

Grounded in the faithfulness of God, we now reflect on the journey He has led us through-city by city and nation by nation.

Mission USA & Canada - Ministry Tour Report

What a remarkable season these past three months have been. Across the United States and Canada, we witnessed the faithfulness of God again and again through healings, salvations, prophetic ministry, leadership impartation, and powerful demonstrations of the Holy Spirit. From conference settings to miracle services, from leadership training to national television, the Lord confirmed His Word with power.

As Scripture declares, *"They went out and preached everywhere, the Lord working with them and confirming the word through the accompanying signs"* (Mark 16:20, NKJV). That verse has truly defined this season.

Our North American tour began with Word Explosion Conference at Jubilee Church in Paradise, California, a strong and Spirit-filled opening to Mission USA and our Northern California tour. Friday night launched with a miracle service focused on prayer and fasting, calling believers back to spiritual depth, discipline, and divine power. On Saturday morning, Ilke ministered a timely and anointed message on guarding the spirit of unity, reminding the church that unity is essential for sustaining revival. Saturday night brought another dynamic miracle service, and Sunday morning concluded with a prophetic message for 2026. Many testified that they were healed, touched, and deeply impacted by the Lord during those days.

That momentum carried immediately into a united miracle service in Plumas Lake, where churches gathered in regional unity and expectation. The atmosphere was

where churches gathered in regional unity and expectation. The atmosphere was charged with faith, the gifts of the Spirit were in operation, and the testimony line stretched from one side of the building to the other. The message, "Power at the Doorstep - When Jesus Heals a City," echoed the truth of Mark 1:33: *"The whole city was gathered together at the door."* It was no longer just about hearing sermons. It was about encountering power.

In Stockton, California, the Lord moved powerfully through a special Girls' Brunch with Ilke and an explosive Sunday miracle service. Healings, miracles, salvations, and testimonies filled the house, reminding us that Jesus is still healing today. Revelation 12:11 came alive before our eyes: "They overcame him by the blood of the Lamb and by the word of their testimony."

From there, the tour continued to Auburn, where two great miracle services brought encouragement, healing, and fresh faith to many. At Solid Rock Church in Diamond Springs, Ilke ministered a deeply impactful message titled "Girl Talk," confronting the chatter of the mind and false internal narratives with truth, freedom, and identity in Christ. Many women were touched, encouraged, and filled with the Holy Spirit in a life-giving gathering that became more than a meeting; it became a divine encounter.

In Oroville, California, over three dynamic meetings, the Lord once again met His people with power, presence, and compassion. Oroville marked the fifth city and the fourteenth meeting of our Northern California tour, and as in every city, God touched many lives. The gifts of the Spirit were in strong operation, many dedicated their lives to Christ, and many others were healed, strengthened, and blessed. *"Where the Spirit of the Lord is, there is liberty"* (2 Corinthians 3:17, NKJV), and we saw that liberty on display.

Our Northern California tour concluded in Mather and Marysville. In Mather, a Friday night service on prophetic sensitivity carried a strong prophetic flow and demonstration of God's power. Saturday morning brought leadership training on entrepreneurial intelligence and problem-solving, equipping leaders with practical insight and Kingdom perspective. Saturday night culminated in a miracle service where the power of God interrupted the sermon almost immediately, as the Holy Spirit moved freely and many were deeply touched. Sunday morning became a commissioning service focused on preparation for the new year and discerning the present emphasis of the Spirit. Sunday night in Marysville, Ilke ministered powerfully and many were touched, refreshed, and filled with the Holy Spirit. In all, the Northern California leg concluded with 19 meetings across 7 cities, and we give God all the glory.

Beyond California, the Lord continued to move across the nation. In Lancaster, Pennsylvania, four powerful meetings were marked by compounded demonstrations and visible manifestations of the Holy Spirit.

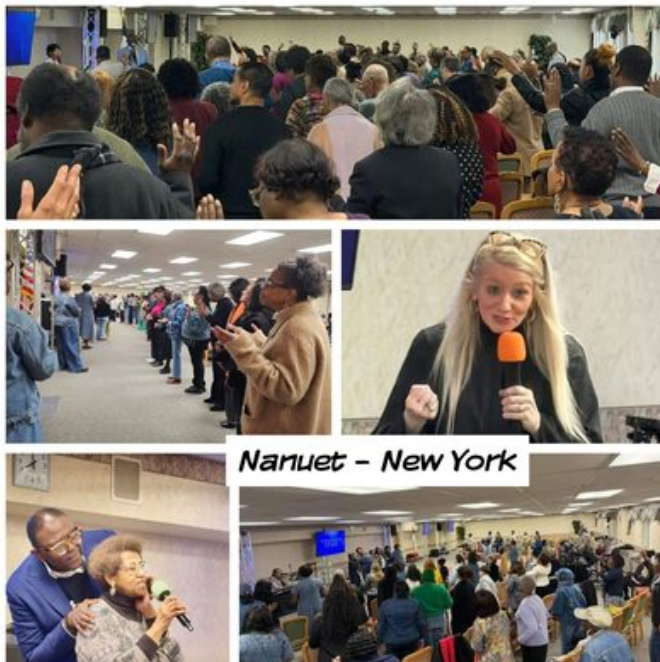

In Canton, Ohio, both services carried a strong healing anointing. One message, "Healing Is For You," emphasized that healing is not merely about comfort; it is about covenant, calling, longevity, and assignment. That same truth was confirmed again at Cathedral of Life, where preaching became encounter and the Spirit moved in demonstration of power.

In Nanuet, New York, the It's Miracle Time Gathering 2026 unfolded over five days and six dynamic meetings. Girls Night Out with Ilke deeply encouraged and strengthened women. A bilingual miracle service brought unity and power across languages. Sunday morning brought a timely message titled "The Language of Doors," while Sunday night and the following miracle services saw the gifts of the Spirit flowing freely. One of the most notable testimonies was a woman who had been deaf since 2016 being completely healed by the power of God.

In Norwalk, Connecticut, two miracle services carried the powerful message "Ephphatha - Be Opened!" based on Mark 7:34. We witnessed again that when Jesus speaks, what has been shut must respond. Ears were opened, voices were released,

bodies were healed, and faith was ignited.

In Queens, New York, at Liberty Bible Church, we experienced two dynamic services marked by the Word, liberty, and the tangible presence of God. It was a joy to minister once again in a house where faith is alive and God has been building something beautiful over the years.

Queens - New York

In Hudson, New Jersey, a packed church gathered with hunger and expectancy, and the Lord touched many in a powerful and unforgettable night.

We also celebrated a major milestone: three years of the 'It's Miracle Time' mentoring program. Testimonies flowed of lives transformed, faith restored, and deep encounters with God. We are grateful for every leader serving behind the scenes, and we remain convinced that this is only the beginning.

Another significant avenue of ministry this season was national media. I had the privilege of serving several times as a panelist on Ask the Pastor, a prominent national television program, answering real questions with biblical truth, wisdom, and faith-filled clarity.

Finally, our North American assignment concluded with a powerful Revival Week in Ottawa, Canada. Over five meetings and five days, we witnessed compound manifestations and demonstrations of God's power. On the final day, two explosive services carried a message titled "The Foreshadow Parade: Celebrating the Victories Christ Already Provided." Lives were touched, hearts awakened, and the fire of God

Christ Already Provided. Lives were touched, hearts awakened, and the life of God was clearly released. During this Canadian assignment, we also had the honor of reconnecting with the Ambassador of Congo in Canada and were graciously invited to minister in Congo next year-a humbling and strategic open door for the Gospel.

At the close of this tour, we could say with gratitude: Mission North America completed - 3 months, 37 meetings, 16 cities. Lives transformed. Bodies healed. Souls saved. To God alone be all the glory.
