

+ MISSION THAILAND - Kingdom Multiplication Across Asia

Mission Thailand Report | 2,000 Books Distributed • Leaders Equipped • Revival Fire Across Asia

Dear Friends and Partners,

Greetings from Ghana, Africa.

From Bangkok to Finland and now in Ghana - here is a powerful update on what God is doing through our global assignment across in Asia.

I have just arrived in Ghana for a powerful four-day Ablaze conference, and our hearts are overflowing with gratitude for all the Lord has done in recent weeks across Europe and Asia.

Before arriving in Europe, we completed an extraordinary ministry assignment in Thailand, where we witnessed God move powerfully among pastors, leaders, business people, and hungry believers from across the nations. It was a deeply humbling and impactful time - marked by revival fire, leadership impartation, miracles, discipleship, and Kingdom unity.

This week we continue this global assignment in Accra, Ghana, where more than 1,000 pastors and leaders from across Africa will gather for the Ablaze Conference. I will have the privilege of speaking five times during the conference and preaching four additional meetings afterward, totaling nine ministry sessions in one week. We are believing for a mighty move of God across Africa.

A Word of Encouragement

Excerpt from a Thailand Teaching Session

"Building Godly Discipleship - The NBA Way"

One of the greatest revelations we shared during our leadership conference in Bangkok was this simple but powerful truth:

Great Kingdom teams are built, not found.

In the world of basketball, talent alone does not win championships. Alignment does. Discipline does. Teamwork does. And the same is true in the Kingdom of God.

Many people pray for impact while neglecting development. But lasting Kingdom influence is not built accidentally - it is built intentionally through discipleship, alignment, and spiritual culture.

The apostle Paul told Timothy:

"The things that you have heard from me among many witnesses, commit these to

"The things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also." 2 Timothy 2:2 (NKJV)

This is the divine strategy of multiplication.

God is not merely looking for gifted individuals. He is raising faithful people who can carry truth, reproduce disciples, strengthen others, and sustain Kingdom impact for generations.

We reminded leaders in Thailand that:

- Unity is not sameness - it is alignment of different graces for one mission.
- Culture beats talent when talent lacks character.
- Multiplication is always greater than mere addition.

This was more than a teaching session - it was activation.

And perhaps this encouragement speaks to you today as well:

Do not underestimate what God can build through a surrendered, disciplined, Spirit-led life. The best is not behind you. God is still building something powerful in and through you.

"As iron sharpens iron, so one man sharpens another." - Proverbs 27:17 (NKJV)

Mission Thailand - Revival Fire Across Asia

What an incredible and powerful time we experienced in Thailand.

For nearly two weeks, we had the honor of ministering in Bangkok alongside remarkable pastors and leaders from Thailand, the Philippines, and the United States. Throughout this mission, we witnessed a deep hunger for God, a passion for discipleship, and a strong desire to see revival spread throughout Asia.

One of the greatest highlights of this trip was the translation and **free distribution of 2,000 copies of two of our books** into the local language. Through the generosity of our partners and supporters, pastors, leaders, and conference delegates were equipped with resources designed to strengthen leadership, discipleship, and Kingdom impact.

The response was overwhelming.

Many leaders testified that they began reading the books before bed and literally could not put them down. Others shared the teachings in business meetings, leadership gatherings, and ministry teams because the principles were so practical, transformational, and empowering.

One leader even incorporated material from the book into a corporate presentation at his workplace - a powerful reminder that the Gospel carries wisdom not only for

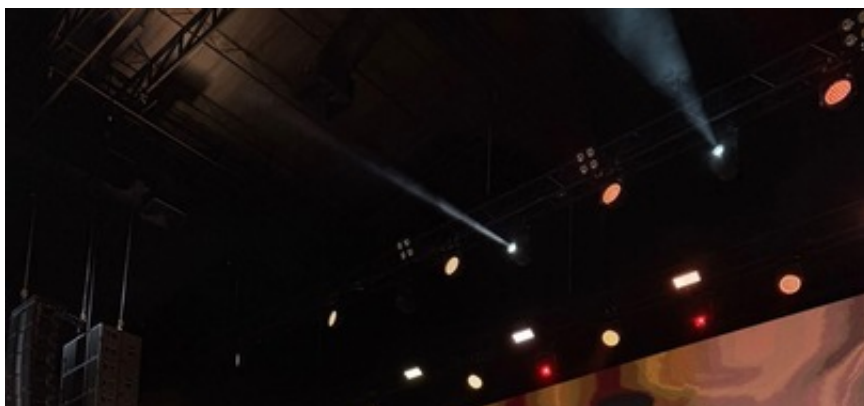

his workplace - a powerful reminder that the Gospel carries wisdom not only for church life, but also for every sphere of society.

Leadership, Miracles & Kingdom Impact

Throughout the conference, we experienced:

- Leadership impartation
- Pastoral strengthening
- Breakout teaching sessions
- Miracle services
- Prophetic ministry
- Healing testimonies
- Powerful worship encounters

One breakout session focused on: "Building Godly Discipleship - The NBA Way"

This message deeply impacted leaders and businesspeople alike as we explored:

- intentional discipleship
- Kingdom teamwork
- spiritual culture
- multiplication
- leadership alignment

The hunger in the room was undeniable. Leaders leaned in, took notes, and received with expectation. You could feel that God was not merely informing people - He was activating them.

We also witnessed powerful miracle services where the presence of God moved tangibly. Testimonies poured forth of healing, transformation, and lives touched by the Holy Spirit.

"And these signs will follow those who believe..." - Mark 16:17 - 18 (NKJV)

At one service, a line of testimonies formed as individuals shared firsthand accounts of God's miraculous power at work. Truly, heaven touched earth in Bangkok.

A Spirit of Unity Across Nations

One of the most beautiful aspects of this assignment was the unity among leaders from multiple nations.

We served alongside teams from:

- Thailand
- The Philippines
- The United States

Different backgrounds. Different cultures. One Kingdom agenda. This is how movements are built.

"Behold, how good and how pleasant it is for brethren to dwell together in unity!" - Psalm 133:1 (NKJV)
